My dear Sir I beg to acknowledge with thanks your Roll of Honor received yesterday from the University of Toronto, it came somewhat as a surprise, about the first of Aug 1916 I received a letter from Dr Herbert Turner asking me to forward him 8/cc which I did in his letter he agreed to forward to me a Copy of the Varsity-Magazine two issues which as yet those I've not received, I also sent photo by Gunner Percy Bambury No 337813.

Gunner Lloyd Ashley Bambury attended the Toronto University - term 1913-1914 but owing to him loosing one eye his Dr ordered him to drop his studies and in the Spring of 1916 he enlisted with the 77th Battery Regina No 125-05-03 went overseas in July and was killed while operating a sacrificial gun on Vimy Ridge on 17th April 1917

J. A. Banbury, Esq.,

Wolseley, Sask.

Dear Mr. Banbury:

I am interested in your letter which I have handed to Professor G. O. Smith who informs me that he has added the name of your son, Lloyd Ashley Banbury, to our list.

Will you allow me even at this late date to express to you my deep sympathy with you in your loss.

I regret very much that you did not get a copy of the "Varsity" for which you sent a dollar to Mr. Turney. I am asking the Secretary of the Students Council to see whether he cannot send you a copy. Unfortunately we had a good deal of trouble on account of the carelessness of Mr. Turney, because naturally the University was held at fault for his remissness.

With kind regards, I am,

Yours sincerely,

President.
